FREQUENTLY ASKED

What level does my child need?

All English levels are welcome. A short online placement test before the start places each student in the right group.

What platform is it on?

Live on the Kensington English Student Portal with an interactive whiteboard. A laptop or tablet and a quiet space are enough.

What if my child misses a session?

Lessons follow a fixed schedule, so missed sessions cannot be made up or rescheduled, and class changes are not possible.
