FREQUENTLY ASKED

What level does my child need?

All English levels are welcome. A short online placement test before the start places each student in the right group.

What platform is it on?

Live on the Kensington English Student Portal with an interactive whiteboard. A laptop or tablet and a quiet space are enough.

Is there a certificate?

Yes. Every student who attends at least 80% of their classes receives a Kensington English Certificate of Attendance, whatever the length of the booking. Students who study 8 weeks or more also take a final test for the Certificate of Completion.

What if my child misses a session?

Lessons follow a fixed schedule, so missed sessions cannot be made up or rescheduled, and class changes are not possible.
